## Holistic Meets Modern.

SHRC, healing from addiction is a complete practice that includes treatment, fitness, self-care, therapy, nutrition, medication assistance, educational/employment counseling, and more. At State of the Heart Recovery, we offer exclusive services and treatment options in all of these categories. We are invested in your future not in providing a temporary solution.

Seamless Technology Integration

## Our Success Partners.

In addition to partnering with other non-profits across New Mexico to provide resources for our clients, we also partner with agencies within Bernalillo County to ensure that the community knows that we are here to help. Further, SHRC continuously seeks out technology partners to make the latest technologies available for our clients.

MEET THE TEAM

“I’m finally living my life again... addiction-free.”
